### **Baptist and The Jackson Clinic host grand opening for new \$80-million outpatient campus**

*JACKSON, Tenn., Nov. 6, 2023*—The Jackson Clinic and Baptist Memorial Health Care hosted a grand opening for The Jackson Clinic-Baptist Outpatient Campus, a first-of-its-kind, 155,000-square-foot medical campus in Jackson, Tennessee.

The two-story, \$80 million development is home to a 51,000-square-foot outpatient surgery department, diagnostic services, 12 patient exam rooms, Green Frog Coffee & Grill on the first floor and 136 patient exam rooms on the second floor. The outpatient surgery department, managed by Baptist, includes 34 pre- and post-outpatient beds with four secluded rooms for children, two endoscopy rooms, eight operating rooms, eight post-anesthesia care units and a vascular lab.

“We are pleased to join The Jackson Clinic, a top-notch multispecialty group practice with a long history in Jackson and an outstanding reputation, as we enter the Jackson market,” said Jason Little, president and CEO of Baptist Memorial Health Care. “We worked closely together to design a patient-friendly campus with comfort amenities and the latest medical advancements and technology. There is nothing else like this outpatient surgery facility in Jackson, and it is an important advancement in outpatient surgical care for West Tennessee.”

The new outpatient medical campus will offer audiology, cardiac testing, infusion, ophthalmology, physical therapy, women’s imaging and retail pharmacy services. Surgery services will include cardiology, ear, nose and throat, general, OB-GYN, plastic, podiatry and urology for patients as young as 2 years old.

“The Jackson Clinic-Baptist Outpatient Campus is the future of health care,” said Mark Allen, CEO of The Jackson Clinic. “Through our collaboration with Baptist, Rendina Healthcare Real Estate and Flintco, we’ve been able to combine the latest in medical design with technology and clinical advancements to develop a modern medical campus that meets current and future demands for convenient access to quality outpatient surgery care. Patients will have a seamless experience that will result in high-quality care and better outcomes.”

## **Baptist and The Jackson Clinic celebrate grand opening of new outpatient campus**

**--add one--**

The Jackson Clinic-Baptist Outpatient campus is located at 145 and 155 Innovation Drive, just at the southwest corner of the 45 Bypass and Passmore Lane. The campus will have a split start with The Jackson Clinic opening on Nov. 14, and Baptist's outpatient surgery department opening on Nov. 15. Business hours will be 7 a.m. to 5 p.m., Monday through Friday.

Established in 1950 by five medical and surgical specialists, The Jackson Clinic was the first multispecialty group practice in Tennessee. Today, it is one of the largest group practices of its kind. The Jackson Clinic brings together the knowledge of more than 165 providers in over 25 specialties and sub-specialties, providing care to patients at 13 locations across nine counties in the Jackson area. Their physicians are supported by state-of-the-art technology in diagnostic testing departments, which include: Laboratory, Radiology (Ultrasound, CAT Scan, Dexascan, Bone Densitometry, Nuclear Medicine, Magnetic Resonance Imaging, and Mammography), Stereotactic Biopsy, Pulmonary Function Analysis, Arterial Blood Gases, Electrocardiography and Vascular Ultrasound. These ancillary departments provide convenient, prompt, and accurate diagnostic results for patients. Providers at The Jackson Clinic use state-of-the-art technology to provide the highest level of care to patients. Baptist Memorial Health Care is one of the country's largest not-for-profit health care systems and the largest provider of Medicaid in the region. Baptist offers a full continuum of care to communities throughout the Mid-South and consistently ranks among the top integrated health care networks in the country. The health care system comprises 22 affiliate hospitals in West Tennessee, North and Central Mississippi and East Arkansas; a freestanding emergency department; more than 5,400 affiliated physicians; Baptist Medical Group, a multispecialty physician group with more than 900 providers; home, hospice and psychiatric care; minor medical centers and clinics; a network of surgery, rehabilitation and other outpatient centers; and an education system highlighted by Baptist Health Sciences University (formerly Baptist College of Health Sciences). Baptist employs more than 20,000 people, and in fiscal year 2022 contributed more than \$455 million in community benefit and uncompensated care to the communities it serves.
